PassportCard

PassportCard Assit App Steps

1. Log in to your Assist app, tap "Card" on the bottom bar, and then select **"View Virtual Card"**.
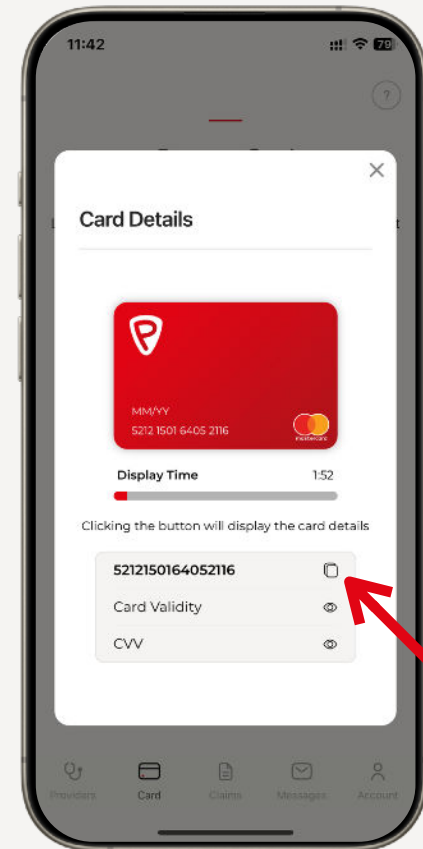

2. Confirm your year of birth for identification purposes.*

3. Tap on the **"eye symbol"** to see your card details.

4. You can now copy the required information and paste it into the Google Wallet app.

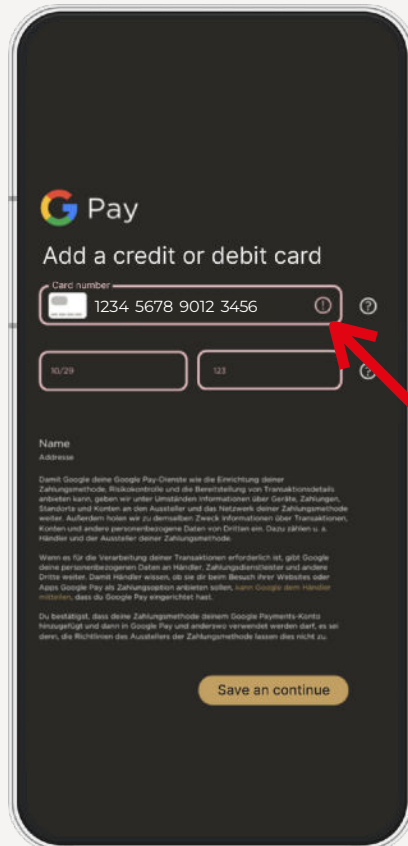

* Note: If the entry is incorrect twice, you must log in to the app again.
